WHAT IS Easy Money? Easy Money is grant money for ASLA members. The State Board came up with the title "Easy Money" because this grant is so easy to win. You can apply for a fifty dollar (\$50.00) grant to be used for literacy improvement just by filling out the simple form provided below!

You may **enter as often as once per month**, but you can only win **once per school year**. We will have at least three drawings annually.
